+

**SPRINT event in mountainbike orienteering**

**10.-11. round of Slovak Cup**

**Memorial Cup of Onderj Papanek – 10<sup>th</sup> Anniversary**

### WHAT IS IT ALL ABOUT:

MA-KA-DO is an orienteering biking event in pairs or individually. During the time limit (parent + child category - 120 minutes, other categories 240 minutes) couple/person should gain the maximum points by visiting as many check points (CP's) as possible with higher point value. The route is chosen by the couple alone depending on their shape, orienteering skills and value of each of the CP's. The list of values of the CP's will be given to the bikers after the start, the map with marked CP's at the presentation. If the couple/person does not meet the time limit, 2 penalty points will be deducted from the sum for every minute begun (for the period of first 10 minutes after exceeding the time limit) and 10 penalty points will be deducted after coming to the finish later than 10 minutes after the time limit. If the couple/person exceeds the time limit of more than 30 minutes, it comes to their disqualification. Rang will be determined by the sum of the achieved points minus deducted penalty. If two couples have the same score, the one with less penalty points would be placed better.

### WHEN AND WHERE

**September 18, 2010 (Saturday)** in Košariská behind Borinka, Cottage "Chata Cementarka" The event will take place in the forest of the Lower Carpathian Mountains.
